Cheese & Wine Evening

On Arrival Canapés, bites & Graham Beck Brut - the bubbly of choice for the Presidential inauguration of both Nelson Mandela and Barack Obama.

A relaxed and informal evening with Graham Beck Sparkling Brut and canapés on arrival. From 7.30pm our gourmet cheese platter showcasing 6 local hero cheeses with all the tasty accompaniments from Passion Preserved and our own gourmet grocers.

Returning again is the best in the business, the charming Dennis Broderick from Woodford Bourne Wines. He will be guiding us through the evening without the stuffiness often associated with wine appreciation. Take notes or simply relax in front of a roaring fire and enjoy!
